For: METHOD AND APPARATUS FOR INSPECTING FLAT PANEL DISPLAY

COMMENTS ON EXAMINER'S REASONS FOR ALLOWANCE

MS Issue Fee
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

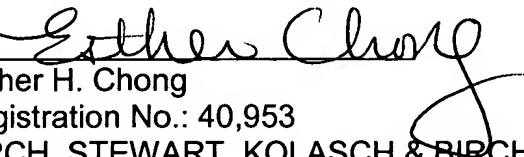

Applicants note with appreciation the allowance of claims 1, 2, 6-9, 12-15, 17-21, 25-27 and 30-33 of the above-identified application. It is respectfully noted, however, that the Statement of Reasons for Allowance merely paraphrases, to a substantial extent, the features actually recited in the claims. In fact, for example, independent claims 14 and 30 do not recite the feature of "scanning the signal wire" or "to perceive a short in the signal wire" mentioned in the Examiner's stated reasons for allowance. Thus, it is respectfully noted that the claims stand upon their own recitations, and limitations should not be imputed to the claims based upon the Statement of Reasons for Allowance.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

If the Examiner has any questions concerning this application, the Examiner is requested to contact Esther H. Chong, Reg. No. 40,953, at the telephone number of (703) 205-8000.

Dated: **MAR. 13, 2007**

Respectfully submitted,

By
